

ROBERT E. LEE'S
GUIDE TO
MOTOR VEHICLE BOOKS
SORTED BY
AUTHOR NAME
AUTOMOBILES, BUSES,
MOTORCYCLES & TRUCKS

I think this is now the largest list of books and magazines in the world on Motor Vehicles. I think I maybe the only person trying to find and document every Book and Magazine on Motor Vehicles. This is a 70+ year trip for me all over the world. Some people have called this an obsession, I call it my passion. This has been a hobby for me since I was about 10 years old. I don't work on it everyday. I don't do this for money. I don't have any financial help. I have no books or magazines for sale or trade. I do depend on other Book and Magazine collectors for information on titles I don't have. Do you know of a Book, Magazine, Newsletter or Newspaper not on my list?? Is my information up to date?? If not can you help bring it up to date?? I depend on WORD-OF-MOUTH advertising so please tell your friends and anyone else that you think would have an interest in collecting books and magazines on motor vehicles.

I am giving my Book and Magazine Lists to Richard Carroll to publish on his web - site at www.21speedwayshop.com take a look..

All I am collecting now is any issue of a title.

If you are the first to send me a copy of a magazine I don't have I will thank you with a mention under the title.

Because of two strokes and a back injury from falling down the stairs this is about all I can do now. It also keeps me from chasing fast women which I can't catch anymore. I want to thank the three ladies who have keep me alive Allison Mattila & Lydia Warner & Barbara McNaughton my health care providers.

I started publishing this list because Steve Kuk and I each had a list of magazines and we combined them. We both wondered when a magazine started, how often it was printed and when it died. I started printing this magazine list around 1980 with 883 titles by 1985 it had just over 1700 titles now it has over 10,500+ titles. I also have over 11,000+ book titles listed. I am looking for Automobile, Bus, Motorcycle & Truck Book, Magazine, Newsletter & Newspaper titles and addresses. I want this list to be the most comprehensive in the world. I can only do this with the help of others. Can you tell your readers about my effort?? Niels Jorgensen has sent me by far the most magazine titles and Gary Fisk has sent me the most magazines.

These titles can come from Club, Commercial, Company & Industry from any Country in the world and in any language. The hardest type of publications to get information on are Club, Company & Industry the reason because you have to be member or employee.

I want to thank the ladies at THREE CUPS COFFEE (Leah, Lindsey, Ashley, Paula, Melissa, Carly & Nancy) in Astoria, Oregon For putting up with me for 2 or 3 hours a day on the internet. I also want to thank Matt Love for the article he did on me in the Coast Weekend section of 4 Sep. 2014 The Daily Astorian, he also published a book called "A Nice Piece Of Astoria" " A Narrative Guide" published by Nestucca Spit Press with a chapter on me called "Second Day in town".

These fellows have helped with one or more of my lists.
